Christmas and the New Year celebrations are over and our thoughts are starting to look ahead to the new season in under 3 months time. Officially our green will be open on 10th April.

President's Charity

Our President, Mick McAuliffe has chosen Children with Cancer as his charity for his year in office. You can support this by putting your loose change in the bottle on the bar. There will be fund-raising events during the season to support this charity.

New Shirts

The committee have decided to have new club shirts. The design is based on the Invictus Falcon. We have added a third colour, Sky Blue, which is the colour on the club badge. (see banner on top of newsletter).

We would like everyone to be wearing these on the green this season so the committee will fund two half price shirts per member provided fees have been paid by February 14th

See Dave Saunders email for sizes and let him know your requirements by 14th February

You will be aware the banking to our green was coming away in various places, most noticeably behind rink 6. We have again contacted the council and they have promised it will all be repaired by the beginning of the season.
